

The White Buck Inn

The 'New Forest Marque', please look out for the logo on our menu and blackboards

The 'New Forest Marque' provides a recognisable sign to help you easily identify where local produce has been used. This means you can choose foods and goods that have been grown, reared, caught or produced within the New Forest area, with reassuringly stringent standards having to be met. Produce also benefits from low food miles. We are proud to be a supporter.
All dishes containing New Forest products are printed in blue text.
