

Inns of Character

Welcome to The White Buck

A former country house with seven stylish refurbished bedrooms, The White Buck is set in two and a half acres in the heart of the New Forest, a wonderful location for a relaxing stay.

Well known for fine food and Fuller's cask ales, the inn combines rustic charm with a traditional atmosphere and attractive period-style bars.

Wedding receptions, dinner parties and small social events catered for. Please call the inn for further information or menus.

Guest review – *"I cannot commend the staff of the White Buck inn enough. Everyone we had contact with from reception to bar staff seemed to have one aim in common which was to ensure that their guests were well looked after. Superb place."*

In order to achieve the best service levels and reassurance of our quality standards, all our Inns have been assessed and thoroughly inspected by the respected organisation of 'Quality in Tourism'

Eat

Chris and his team deliver an excellent range of pub classics, many including New Forest ingredients, such as Keeper's and Hunter's salads, spinach and wild mushroom lasagne and Jilly's daily changing short crust pie.

Fortify yourself for a day's mountain biking, horse riding or golfing with a full New Forest breakfast or choose the locally smoked kippers that you are not allowed to cook at home!

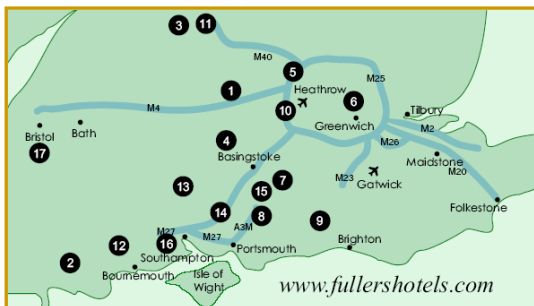

Sleep

The White Buck has seven bedrooms. Our premier rooms are very spacious and individually furnished with their own theme and our standard rooms, on the second floor, have recently been refurbished to a very high standard.

For those who enjoy travelling with their canine companions, we have two rooms which can accommodate you and your pet [only one dog allowed per room].
