Welcome to The Chamberlain Hotel

Set in the heart of the City of London, The Chamberlain is the flagship of Fuller's Hotels.

The City of London is the oldest part of the capital, which boasts some of London's finest architectural delights, ranging from the modern 'Gherkin', to the historic Tower Bridge.

Within minutes of leaving the hotel you will find the River Thames, with its walkways, boat tours and the famous Tower of London. Walk a little further and you will find the beautiful St. Katherine's Dock. In the opposite direction is the world's biggest street market - Petticoat Lane - where you can bag a bargain or just experience the fun of watching the traders trying to catch the interest of the passers by.

There are several tube stations close by, giving you access to the whole of London and its many attractions.

With 64 en suite, high quality bedrooms, stylish brasserie and a Fuller's pub at its heart, The Chamberlain offers the best of everything. Outstanding cask conditioned ales, delicious food, great wines and exemplary service.

We are sure you will enjoy the hospitality and atmosphere this great hotel offers.
